

## Referral Rewards Program

Having a satisfied customer refer your services to family, friends and co-workers is the highest compliment a company can receive. At *SmartComfort, LLC* we are proud to extend a referral rewards offer that will not just benefit you, but others in need our support as well.

How do we do this?

For any referral that results in a contract for an installation of a *Smart Comfort, LLC* designed heating and/or air conditioning system, *SmartComfort, LLC* will send you a \$50.00 American Express gift card as a small way of saying thank you for referring us. In addition, *SmartComfort, LLC* will match your reward and send an equal donation to Paul Newman's Hole in the Wall Camp located in Ashford, Connecticut. This wonderful organization has been helping children and their families cope with cancer and other serious illnesses and conditions since 1988. There is no limit on the amount of referrals you can make which means there is no limit on the amount we can give back to help others.

At *SmartComfort, LLC* we believe that giving back to help our community is just as important as providing you with a comfortable living environment.
